A maintenance fee of \$10.00 will be imposed every month if the average daily balance for the statement cycle falls below \$2,500.00. The average daily balance is calculated by adding the principal in the account for each day of the period and dividing that figure by the number of days in the period. The period we use is days in the monthly statement cycle.
An NSF/Overdraft Paid item fee may be imposed for overdrafts created by check, in-person withdrawal, ATM withdrawal or other electronic means, as applicable.

Transaction Limitations

During any statement cycle you may not make more than six (6) withdrawals or transfers to another account of yours or to a third party by means of a preauthorized or automatic transfer or telephone order or instruction, computer transfer, or by check, draft, debit card or similar order to a third party.
A fee of \$5.00 will be assessed for each check, debit card, or similar order payable to third parties exceeding six (6) in a statement cycle. You may make unlimited in-person withdrawals.
